EXTRAS	Most ceiling canopies are 4 1/2" in diameter. Please ask if this is critical. Canopy switches are \$10.00 extra. Please indicate the placement position. Hang straights (for vaulted ceilings) are an additional \$25.00 per fixture and can be added only at the time your order is constructed.
PL	Fixtures that can be PL adapted are marked as such in the specification guide. Lamp wattage choices include 13 watt, 26 watt, and 42 watt depending on the fit. PL lamps are not included. Please call for specific lamping options.
LEAD TIME	Our fixtures are made to order, and production time is normally four to eight weeks. Rush orders are subject to a 20 percent surcharge (any order required sooner than our normal production schedule allows). We make every effort to meet customer deadlines, but we cannot be responsible for delays beyond our control.
SHIPPING	All freight charges are FOB Berkeley, and are collect, with the exception of UPS shipments. UPS charges are prepaid and added to the invoice. Most chandeliers cannot be shipped UPS.
CUSTOM	We specialize in custom lighting fixtures. If you do not see the fixtures that meet your needs, please give us a call. We will be happy to discuss other possibilities.
ADA	ADA Compliant means that the sconce projection is four inches or less.
UL LABEL	 This symbol means the product is listed by Underwriters Laboratories, Inc.
DAMAGES	All shipments are packed with great care, and delivered to the carrier in excellent condition. Acceptance of a shipment by the carrier constitutes their acknowledgement that the shipment was received in good condition, and that it was properly packed. All damages and shortages should be reported to the carrier immediately, and all boxes, packing materials and damaged merchandise held for inspection. You are responsible for initiating the damage claim with the carrier. This must be done within ten (10) days. No claims will be honored after the ten day period.
WARRANTY	We guarantee our fixtures for one year from the date of purchase from any defects in materials or workmanship. All of our products are made from the finest materials available. You can expect years of service if used properly. Please note the maximum recommended wattage for each of our products in the price list. Do not exceed the maximum. Please note: we do not guarantee against damage caused by over wattage. Any alterations done to our products, including shortening, outside our factory, voids this warranty. During this warranty period, Classic Illumination will repair, at its option and free of charge, products that are proven to be defective. We do not cover shipping costs. This warranty does not apply to damages resulting from alteration, accident, tampering, misuse, negligence or abuse.
